

Drinagh is currently recruiting an Agricultural Advisor. The successful candidate will be a key member of the Society's advisory team. Our Agri Advisors work closely with milk suppliers and beef/sheep customers providing technical advice to support their business needs.

Applicants must possess:

An excellent knowledge of farming and agribusiness especially in the following key areas:

- ✓ Grassland management
- ✓ Animal nutrition
- ✓ Milk quality
- ✓ Nutrient management planning
- ✓ Animal health & breeding

Candidate Profile:

- Relevant 3rd level Agri qualifications
- Strong interpersonal, communication and IT skills
- At least three years' experience in a similar role
- Ability to work on own initiative as well as part of a team
- Full clean driver's licence

Drinagh has a culture of on-the-job coaching and mentoring employees to prepare our teams for the future and ensure the long-term success of the Society and our employees.

**Please email cover letter & CV to info@drinagh.com
Closing date for applications Friday May 17th, 2024.**
